

# **Overseas Church Contact Register**

This register of overseas church contacts has been produced by the Overseas Relationships Team of the Fellowship of Independent Evangelical Churches. It lists contact points for evangelical churches in as many countries as possible with the aim of helping Christians who are travelling overseas to find Christian fellowship.

While every effort has been made to identify churches and organisations that are evangelical in belief and practice, this register is for guidance and information purposes only. Inclusion in this register does not indicate endorsement by the FIEC of any church or organisation.

We trust that the information in this register will help Christians travelling overseas to enjoy true fellowship with Christian brothers and sisters in other parts of the world.

A handwritten signature in black ink, appearing to read 'B. Howlett', with a horizontal line underneath.
